ABOUT THOSE RUMORS: No, he never had a fling with *Dynasty's* John Collins — that was just good publicity for *The Making Of A Male Model!* The lady was, however, suitably impressed with Jon's acting — she arranged for him to audition for *Dynasty*. Alas, he did not get the role he was up for.

KIND OF WOMAN HE GOES FOR: "I have no definite type," quoth he — but pretentious ladies are out. "I appreciate women who are themselves, real, open. Do I sound like I'm from California?" Yes, you do.

LIKES BEST ABOUT HIMSELF: The fact that he can regard himself objectively — "I hope to be open, friendly, considerate and unpretentious." He is.

WORST HABIT: Being disorganized and messy; procrastinating.

DESCRIBES HIS PERSONALITY: Obsessive, driven, heavy and serious. "But I do have a lighter side." Thank goodness.

GOALS: To get some "really fine" movie roles and to star in musical theatre.
